WELCOME TO LE CLOS CHAMPAGNAC!

Le Clos Champagnac is the perfect setting for celebrating life's most memorable moments with a meal or ceremony.

The reception rooms can be tailored to your needs, whether for a business event or a private party.

The eight apartments are warm and comfortable, perfect for short or long stays.

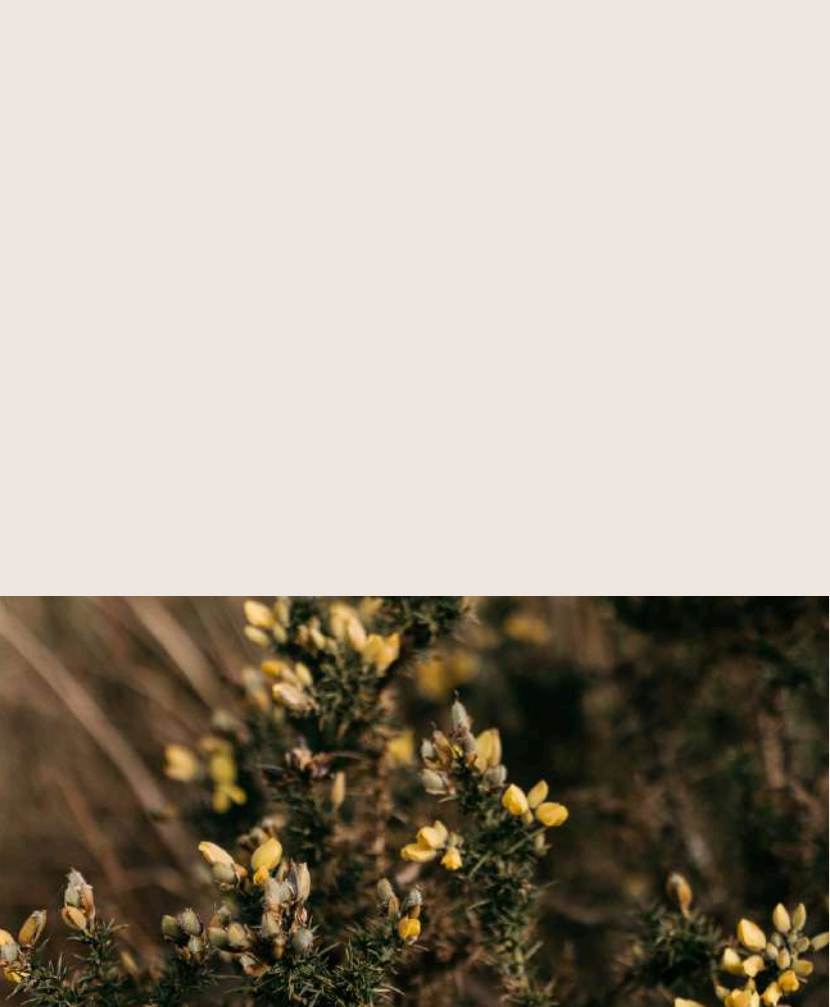

They are carefully equipped and decorated, so you will feel right at home.

The estate can be entirely privatised.

All the facilities at the Hôtel Golf Château de Chailly are available to you: spa, golf course, swimming pool, etc.

For all your meals, you will find the menu that suits you at our bistronomic restaurant, La Table des Producteurs.

Enjoy all these services just a stone's throw from Clos Champagnac and treat yourself to life in a château!

RECEPTION ROOM

Le Clos Champagnac offers three lounges and a covered area for your receptions, family celebrations or study days.

Each space can be arranged according to your wishes and needs to create a tailor-made event.

Le Clos Champagnac is your ideal partner for organising your seminars and guarantees you the highest quality of service.

Nestled in the heart of Burgundy, it is an idyllic setting for your professional event.

We guarantee to provide you with tailor-made commercial proposals within 24 hours and are at your disposal to assist you in the realisation of your projects.

All the equipment you need for your meetings will be provided on site: flipchart, video projector and projection screen, table stationery kit and mineral water.

For your receptions, parties and weddings, each space can be adapted to suit any atmosphere.

Neutral enough, you can install your own decorations and make the space your own to create an event that reflects your style.

The cocktail area, which is welcoming and opens onto the garden and park, is the ideal place for a reception, an aperitif or a warm, rustic buffet.
